**Subject:** GMU Tour

Hi Darren,

I have not heard back from Jacque, so I wanted to check in with you around a few details:

- Is the field installation on the Fairfax campus? (We were assuming that the GMU campus was in Fairfax, since that is the location google maps went to when we searched for GMU. However, just this moment, in searching for a “map of George Mason University campus”, I found out there were 4 different locations. Can we confirm where the installation is?)
- Can we also confirm which field the installation is on? (In looking at the Fairfax campus, there is a number of fields and stadiums, where should we go?)
- Are there any requirements regarding where we should park?
- Are there any other practical requirements, e.g., closed-toe shoes, or anything regarding safety we should be aware of?
- Can you give us a phone number we can use to reach Jacque once we are there?

Thank you so much for any information you can provide. (One more thing, I know you do anyway, but this time too, can you please CC everyone on your response to make sure others have the information on time - I am not going to be in the office on Monday or Tuesday of next week, and the tour is on Wednesday already.)

Thank you so much and best regards,

Ksenija
